

Preparatory meeting of transnational
cooperation project
“Air traffic and logistics
development between the EU rural
areas and China”

25-26 June 2019
Matera, Italy

Information from project partners - Estonia

Kristiina Tammets
Tartu County Development Association

Developments of project

- Project development and submission in your country (deadline, specific issues to be taken into account)
 - Project approved by LAG General Assembly meeting on 12.06.2019;
 - Project submitted to Managing Authority and Paying Agency on 19.06.2019. Expenses are now eligible.
 - Problematic issue is that we didnt submit cooperation agreement yet. We need to do it at earliest convenience.
